Civil Action # 1:20-cv-5455

During the month of February, I was engaged in email communication with Janice Auto Market regarding the purchase of a used vehicle. On February 27 2020, I wired \$10,800.00 to Janice Auto Market acct.# 6533326598 for the purchase of a 1949 Ford. To this day, I still have not received the vehicle. I have two requests -

1. A return of the \$10,800.00 to me now being held in the restrained account.
2. A denial of Wells Fargo's request to have their costs and attorney fees be paid from the restrained proceeds.

Thank you.
